PROFILE SUMMARY

Aspiring Java Full Stack Developer with hands-on experience in Java, Spring Boot, React, MySQL, and web development. Skilled in building responsive and scalable applications, with practical experience in AI-based computer vision projects and full-stack development. Passionate about solving real-world problems and continuously learning new technologies.

EXPERIENCE

Full Stack Developer Intern | Global Techno Solutions Pvt. Ltd., Chennai Nov 2025 – Dec 2025

- **Built the frontend of a web application** using HTML, CSS, and JavaScript, creating 3+ responsive pages with interactive UI components.
- **Learned and applied Java and Spring Boot** to create basic REST API endpoints for handling application data.
- **Connected the application to a MySQL database** to store and retrieve records.
- **Tested the application across different browsers** and fixed basic UI issues to improve consistency.

AI/ML Intern | Renault Group, Chennai Plant Aug 2025 – Oct 2025

- **Assisted in building a defect detection system** using YOLOv8 for automated visual inspection on the production line.
- **Worked on an ArUco marker-based system** to help monitor correct bolt assembly sequence.
- **Contributed to an RCNN-based object detection model** for quality assurance checks.

PROJECTS

Rapid Rescue: AI-Powered Real-Time Accident Detection and Emergency Response System Final-Year Project

- **Built an accident detection system** using a force sensor, GPS module, and GSM module to automatically detect vehicle collisions and alert the nearest police station and hospital via SMS/voice call.
- **Implemented location-matching logic** to identify the nearest emergency services from a pre-loaded database using GPS coordinates.
- **Tested the system across multiple scenarios**, achieving collision detection within 2 seconds of impact and emergency alert delivery within 5 seconds.

TECHNICAL SKILLS

- **Languages:** Java, Python
- **Frameworks / Web:** Spring Boot, React, HTML, CSS, JavaScript
- **Databases:** MySQL
- **Tools:** Git, VS Code, Eclipse IDE
- **Concepts:** OOP, DBMS, REST API Design

EDUCATION

Bachelor of Engineering (B.E.), Computer Science and Engineering

Saveetha Institute of Medical and Technical Sciences (SIMATS), Chennai | Expected Graduation: Jul 2027 | CGPA: 8.3

Higher Secondary Education (12th), Board of Intermediate Education

Narayana, Nellore | Apr 2023 | 85%

Secondary School Education (10th), Board of Secondary Education

Narayana E.M, Nellore | Jun 2021 | 98%

CERTIFICATIONS

- Advanced Java with Frameworks — FITA Academy
- Certified DBMS Developer — Oracle, 2024
- Oracle Certified Professional: Java SE 11 Developer — 2025

ACHIEVEMENTS

- Best Presentation Award, IRAJ International Conference, Cochin — Feb 2025
